

HUMBER SENIORS CURLING CLUB

The club has about 100 members, men aged 55 plus. We rent the curling facilities of the St George's Golf and Country Club at 1668 Islington Ave., Etobicoke. The club and most of its members moved to St George's when the Humber Curling Club ceased to operate in 1998. We are not members of St George's and use the old Humber name.

The following is a brief summary of the club's operations.

- The curling season goes from the week of October 14th thru to early April.
- There are draws, at 8:10 AM and at 10:20 AM, on Tuesdays, and Wednesdays and one draw at 9:10 AM on Fridays; except when the ice is not available because of holidays or St George's commitments.
- These draws are scheduled in three series – Fall, Winter and Spring. Each series runs about seven weeks.
- The schedule usually leaves sheets available for open curling or practice.
- A Trophy Bonspiel will be held twice a year.
- There is afternoon curling (1:00 PM) available against various Seniors Clubs in the area, at various curling rinks. There is usually a charge of \$3.00 to \$4.00 per game.
- Come see if you like curling, sessions without any commitments are available.
- Our web site; www.humberseniorscurling.ca/ contains notices and application form.

HUMBER SENIORS CURLING 2012-2013

REGISTRATION – DUE BY SEPTEMBER 14th 2012

To register for morning curling complete page 3 of this package. For curling at other clubs, complete page 4.

We know it may be difficult to think about curling while the golf courses are still green, but please register on time. Late registration may make it impossible to assign your requested curling times. Many have duties to perform from the information you submit – setting up teams, rating data, schedules and telephone lists. It takes many hours to arrange the club for your curling enjoyment. Thanks for helping.
