

Humber Seniors Trophy Playoff

Modified Points Bonspiel

Revised Jan 24, 2010

Prepared by Humber Seniors members Tom Osika and Dennis Buck.

The rounds are scheduled for Friday April 9, Tuesday April 13 and Wednesday April 14.

Everyone can enter, use sign up sheet for entries.

1. We need multiples of eight curlers for an even number of teams; therefore the last few entries above a multiple of eight are dropped. (First come, first served)
2. Maximum of 24 teams, 96 curlers can enter.
3. The bonspiel is completed in 3 days (rounds) of curling.

Teams are drawn at random. Skips are drawn first, and leftover skips become the first drawn vices. Any shortage of skips will be filled by a random draw of the vices. This process can be used for all positions.

There will be a skill's competition after the first game. This will be a roll off format for the entire team using "West End Seniors" scoring. Points accumulated will be used to break tie games in the first two rounds and ties in the standings. A prize will be awarded for the highest roll off.

The FIRST ROUND of playoff is a random draw.

1. The draw could be held at 8:10 on Friday for the first 12 teams, the remaining teams will play at 10:20 Friday. If there are 12 teams or less the draw could be held at 9:10 on Friday.
2. In the first two rounds, games are eight ends if 12 or less teams are entered, seven if more than 12 are entered; ties are broken by the roll off. Bonspiel points are accumulated as follows: 8 points for a win, 1 point per end, and ½ point per rock to a maximum of 8.

The SECOND ROUND pairings are determined by the first game results.

1. High winner plays the low winner (possibly the high loser, depending on the number of teams).
2. The second high first game winner plays the second lowest first game winner, etc. The same process applies on the first game losing side.
3. The draw could be held at 8:10 on Tuesday for the top 12 teams, the remaining teams will play at 10:20 Tuesday. If there are 12 teams or less the draw could be held at 9:10 on Tuesday.

For the THIRD ROUND the top 12 teams after two games continue play. The remaining teams are dropped.

1. Teams are ranked first by the number of wins and secondly by the points accumulated over the first two games.
2. **The top two teams playoff for the championship trophy.** The next two will playoff for third and fourth place, etc.
3. Games are eight ends; ties are broken by playing an extra end.
4. The third round draw could be held at 9:10 on Wednesday.
5. If we have 8 teams or less, the trophy winner should be the only team to win all three games.

An entry fee of \$2 to \$5 per player will be determined which will be used for prize money. The number of prizes will be determined by the number of teams entered.
